

**Knights of Malta
Firewood Order Form**

I have included in the monies sent to the Knights of Malta \$15.00 for the purchase of firewood at campout 2010.

I understand

1. That based on last year's cost for a "cord of wood" that will be about 10 pieces of wood
2. That the actual amount of wood I will receive will be determined by dividing \$15 into the actual delivered cost this year.
3. That at check-in time or (at Meet and Greet), I will receive my pre-packaged one-time allocation of wood
4. That I am not entitled to any additional wood during the week-end.
